

Blue-Eye Training

RECOGNISED CENTRE

Why Choose Blue-Eye Training for your Facilities Management Training and Qualification Needs?

An overview of why Blue-Eye Training offers more than any other FM training provider

Our Background

We are the longest running UK qualifications provider for Facilities Management in the United Kingdom, having worked with the BIFM since 1994 when facilities management qualifications were first devised.

We are able to boast an enviable reputation for the success of our qualifications assessment programmes, having helped over 300 learners to gain their chosen qualifications, achieving pass rates consistently in excess of 95% in the process (considerably higher than the national averages). This has helped them develop their knowledge, become better Facilities Managers and enhance their chosen career paths.

Industry Leaders

Our tried and tested support package includes:

- ✓ More experience than anybody else, we are the longest running UK FM qualifications provider
- ✓ Our students enjoy pass rates consistently in excess of 95% (100% since 2011 for moderated* papers (*moderation- a quality assurance process)
- ✓ You will get tuition from experienced professionals (not just lecturers). Tutors will also be on hand to offer one-to-one coaching and mentoring if required
- ✓ Tuition materials which are tailored for each qualification (workbooks are topic specific, matching each study unit and the requirements of the qualification specification)
- ✓ Assessment techniques workbooks and workshops
- ✓ Class sizes which make learning effective (we make sure to support and involve everybody in the tuition classes)
- ✓ A dedicated Student Support Manager who looks after each student's learning programme
- ✓ A range of learning methods including classroom-based learning, home study, distance learning and workplace-based study; or a combination of the above. We can work with learners to find the best arrangement or combination of options

Convenience

We ensure learners only have to come to class every six weeks, and plan training programmes accordingly.

Most of the time attendance is for a series of one-day events, but from time to time, the tuition will take place as a two-day event.

All of our courses are held in Newbury near to where the M4 crosses the A34. Easy to get to by road in any direction, 1 hour 30 from London, Birmingham or Bristol
